About This Game

Shank n' Bake is a mixture of cutesy platforming and overly violent runner cartoon goodness. Slay your foes, bake up the ultimate junk food army, and take down the all the healthy food in the world!

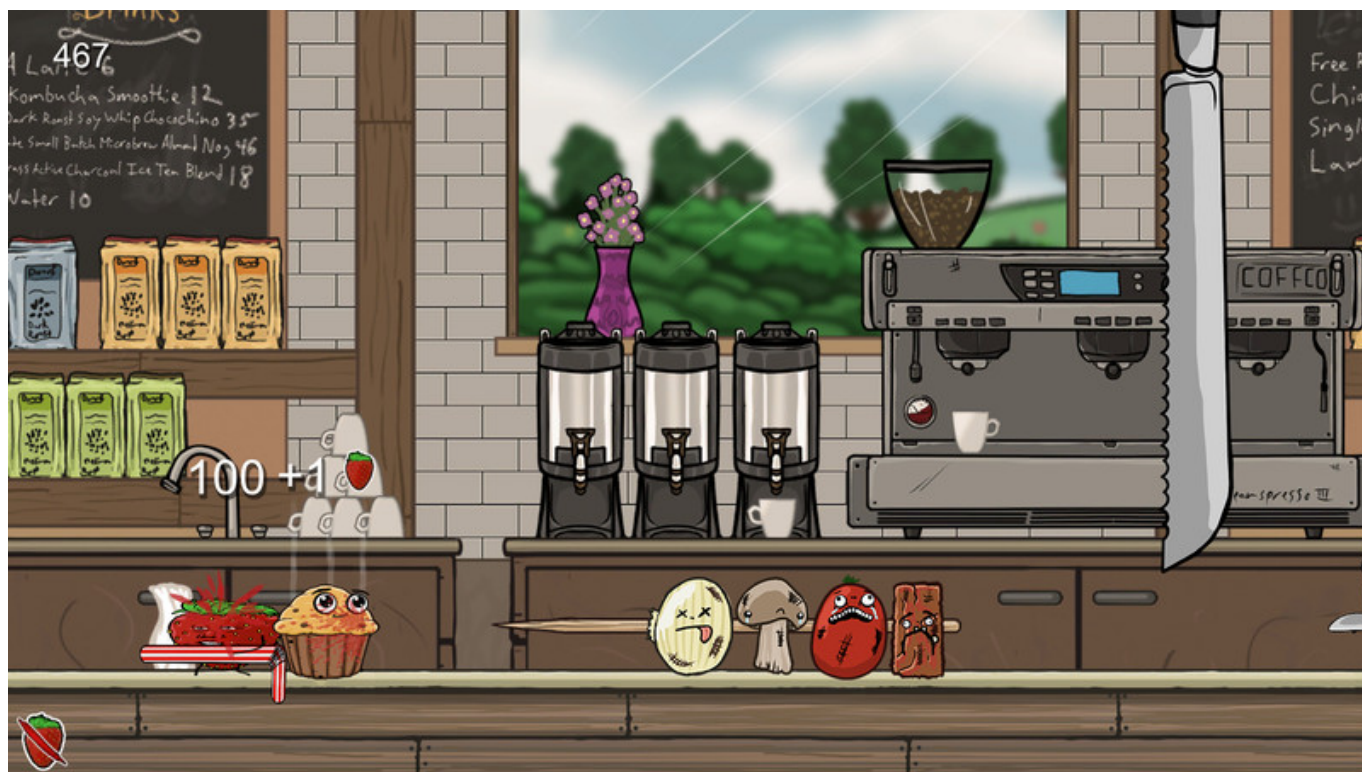

A new movement amongst the humans has stopped all consumption of unhealthy food. A lone adorable jelly filled muffin man must travel around the world brutally murdering healthy foods and cooking core parts of their corpses into new junk food concoctions. Build up your army, take down all the healthy food, and force the humans into consuming your kind once again!
